

Stage 2 - Library Learning from Home Week 3

If you are unable to access the PRC website, please complete the following activity:

Pick a book that you have read and write 5-10 questions you would ask the author if you met them. Think about what you want to know about the author, about their books, and about how they come up with ideas for their stories.

1. Last week you were able to practise logging books on your Premier's Reading Challenge online account. If you are still stuck, watch this video again to help you log your books: [New Student Experience : NSW Premier's Reading Challenge Support \(freshdesk.com\)](#)
2. This week, you will need to find your PRC log. All the PRC logs from your class have been scanned into the one document, so you will need to scroll through until you find your name.
3. Once you have found your PRC log, you will need to add all of the books to your reading log on the PRC website by either following last weeks instructions, or clicking on this link
<https://sso.det.nsw.edu.au/sso/XUI/?goto=https%3A%2F%2Fonline.det.nsw.edu.au%2Fprc%2Flogon.html%3Fssosource%3Dlogin/>
4. Once you log on, click this button to take you to your online log:

5. Now you will be able to add all of the books you read during PRC time at school!

6. When you have added all of the books from your PRC log, check the online log to make sure that you have met the requirements for the challenge. You need to have read **20 books** (15 PRC and 5 Personal Books). Remember for the 3-4 PRC, you need to have read from the 3-4 or 5-6 PRC list.

7. If you have NOT finished and still need to add more books, below you will find a list of books you can listen to on Storybox that are PRC books! How exciting! You will now be able to finish your challenge at home!
